To Whom It May Concern,

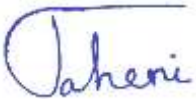

I am writing this letter to provide a strong recommendation for **Jameel Abdulmalek**, in response to his request. As his former professor at **Antalya Bilim University** from 2020 to 2024, I had the privilege of closely following his academic journey. Jameel was enrolled in several of my courses, including "**Object Oriented Programming**", "**Computer Organization and Architecture**", "**Systems Programming**", "**Embedded Systems Design**", "**Project Management and Ethics in Computer Engineering**", and "**The Senior Project**".

Throughout his undergraduate studies, Jameel consistently displayed a strong commitment to his academic pursuits and demonstrated remarkable diligence in his coursework. He approached his studies with enthusiasm and determination, consistently striving for excellence in both comprehension and application of concepts. Jameel possesses exceptional analytical skills and has consistently demonstrated proficiency in problem-solving, which was evident in his performance on assignments and projects.

Moreover, Jameel's dedication to his academic and professional development extended beyond the confines of the classroom. He actively engaged in extracurricular activities relevant to his field of study, demonstrating a proactive approach to learning and skill enhancement. His ability to balance his academic responsibilities with extracurricular involvement speaks volumes about his strong organizational skills and effective time management abilities.

In addition to his academic achievements, Jameel is known for his integrity and professionalism. He approaches tasks with confidence and a positive attitude, making him a valuable contributor in both independent and collaborative settings. Jameel's respectful demeanor towards his peers and faculty members reflects his strong interpersonal skills and ability to work effectively in diverse environments.

Based on Jameel's outstanding academic performance, strong work ethic, and exemplary character, I have no hesitation in recommending him for employment opportunities. Whether it be pursuing a career in his chosen field or seeking opportunities for professional advancement, I am confident that Jameel will excel and make meaningful contributions to any organization he joins.

Dr. Shahram Taheri
