Personal Statement

I just graduated in Computer Engineering from Antalya Bilim University with an honors degree, ranking among the top ten students in the Faculty of Engineering and Natural Sciences. I have a strong passion for technology and enjoy solving problems. I am excited to start my career and work on interesting projects with your team. I am a quick learner and enjoy collaborating with others to find solutions. I am confident that I can make valuable contributions.

Work Experience

-Arya.ai, Turkey , Antalya. *June 2023 - January 2024*
Artificial Intelligence Developer
- Engaged in AI development and research, contributing to cutting-edge solutions.
- Developed an algorithm to optimize route planning for a cargo company.
